

FILTECH 2022 - Stand Building Information

Proof of Vaccination required for Stand Builders

A **proof of a complete vaccination** is required to have access to the KoelnMesse fair grounds also during the set-up and dismantling periods.

Stand builders must send an e-mail to the organizer: Jens Chittka (jens@filtech.de) to receive log-in details to submit the staff names and upload the proofs of vaccination for each person.

You can also upload an official proof of a recovery (at least 28 days ago, not older than 6 month).

If the vaccination status is confirmed each person receives a personalized build-up pass which is checked prior to entering the fair grounds.

ONSITE BUILD-UP PASSES ARE NOT AVAILABLE FOR THE FILTECH 2022 SHOW

If you have any questions concerning the build-up passes or problems with the upload, please contact Jens Chittka via phone +49 2132 935760 or jens@filtech.de

Stands designs must be advised to the organizer until November 30, 2021.

Please send stand layout drawing incl. measurement to jens@filtech.de

Max height for stand construction including suspensions: 8 m

For **suspensions** in the halls 7/8 the Company "UEBERKOPF GmbH" is your service provider.

To get a quote please contact the service provider directly:

Phone: +49 221 96 979 78-0

koelnmesse@ueberkopf.de

Max floor load: 50 kN/m² (~5t)
