Important Dates

Deadline of Abstract Submission:
Thursday, April 30, 2015

Deadline of Early Bird Registration:
Monday, August 31, 2015

Themes

Membrane Filtration

- New Membranes
- Ceramic Membrane and Applications
- Microfiltration and Ultrafiltration
- Fouling and Scaling
- Membrane Module Design
- Water Treatment and Desalination
- Waste Water Treatment
- Bio-separation Applications
- Mechanism, Modelling and Simulation
- Miscellaneous

Gas Filtration

- Surface Filtration
- Filter and Gas Adsorptions
- Automotive Application
- Mechanism, Modelling and Simulation
- Test Systems and Measurements
- Mist and Droplet Separation
- Air Filters – HEPA
- Air Filters – HVAC
- Industrial Gas Cleaning
- Miscellaneous

Liquid Filtration

- Cake Filtration
- Depth Filtration
- Centrifuge and Hydrocyclone
- Filtration Analysis, Apparatus, Selection & Design
- Continuous Vacuum and Pressure Cake Filters
- Vibration, Magnetic & Electric Enhanced Filtration
- Filter Aids and Precoat Filtration
- Filter Media
- Coalesce/Liquid – Liquid Separation
- Miscellaneous
